

Q1 - Are you a current member of the Louisiana Society of American Foresters?

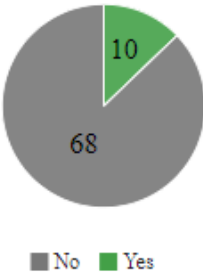

Q2 - If you are not a member of the Louisiana Society of American Foresters, why not? Please select no more than three responses.

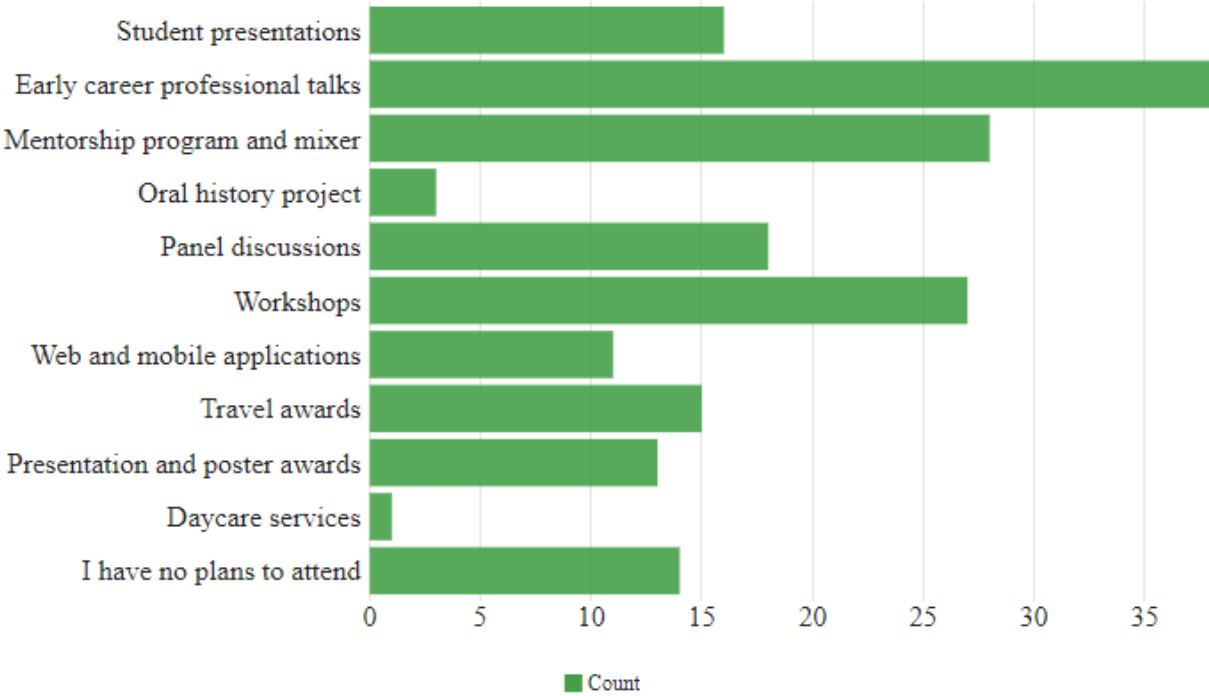

Comments:

- Did not know it was open to students
- I keep forgetting to become a member
- I knew about the organization, but never looking into it to see about becoming a member
- Didn't fit in
- Figured society is only for forestry majors and I'm not one
- I'm a wildlife student
- Honesty, I just keep pushing it off. I plan to become a member after this survey.

Q3 - Have you ever attended a meeting of the Louisiana Society of American Foresters?

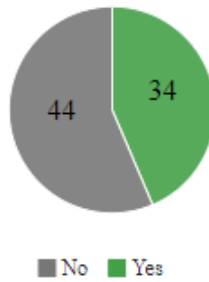

Q4 - Which of the following activities would encourage you to attend future meetings of the Louisiana Society of American Foresters? Please select no more than three responses.

Comments:

None
